About me

Experienced frontline specialist with a strong background in combat, teamwork, and protecting vulnerable colleagues. Former Noxian gladiator turned freedom fighter, currently working as a professional support champion. Known for exceptional durability, powerful headbutts, and outstanding performance under pressure. Seeking a position where I can make a real impact without being milked for overtime.

Other information

Review

With years of experience in combat, teamwork, and professional headbutting, I believe I would be an udderly valuable addition to any team. My dedication, resilience, and ability to take the bull by the horns make me a reliable and hardworking professional. I look forward to new opportunities where I can continue to grow, support my colleagues, and make a moo-ving difference. After all, I'm not just outstanding in my field — I'm outstanding in every field!

Thank You
